Lions and Ladies Have Banquet At Hi School

Tuesday night between fifty and sixty Lions, ladies and guests gathered at the High school for a Ladies' Night meeting.

The victors of a recent membership campaign, the Navy Gobs and their ladies and guests sat at a table laden with choice steaks and other good things, while the losing Army Yardbirds and their ladies sat at a table where red beans and coffee were served for the main course.

Following the meal Lions and guests assembled in the Band Room, where tables for bridge, dominoes, 42 and Bingo had been arranged.

The Bingo table, with Art Carmichael, Ted Russell and L. H. McBride officiating, afforded many laughs, as players vied for valuable prizes.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School at 10 A. M.
Morning Worship at 11 o'clock.
Youth Fellowship Recreational Hr. at 6:00 o'clock.

Youth Fellowship Program at 7:00 o'clock.

The Wesleyan Service Guild is to meet Monday afternoon at 3:00 o'clock.

The Board of Stewards will meet Monday evening at 8 o'clock.

Church School Teachers and Officers will be responsible, under the direction of the children's division, for the mid-week service next Wednesday evening at 8 o'clock.

Dr. C. A. Bickley, district superintendent, of the Abilene district, will preach Sunday morning. He will direct our first quarterly conference Sunday afternoon at 1:30.

Sunday is Race Relations Sunday and Mrs. C. A. Bickley of Abilene, will have charge of the Sunday evening Race Relations service.

These Methodist Youth Fellowship is to be honored Sunday evening, February 14, at 7:15, with a program brought by C. A. Bickley of Abilene. This program will be highly interesting, worth your while. Every member of the Young People's Division is invited.

We welcome visitors to all our services.

Card of Thanks

We wish to express our sincere appreciation to our neighbors and friends for the kindness and sympathy shown us during the illness and at the death of our wife and mother.

J. E. Moody
Mr. and Mrs. S. T. Brewer
Mr. and Mrs. W. F. Lockerd
Mr. and Mrs. M. E. McCartney
Mr. and Mrs. George Powell, Jr.

Wanted! Tin Cans and Waste Fat, Silk, Nylon

Just as we are learning by better experience the need for conserving critical metals and the precious commodity rubber, so we must keep in mind how a fat salvage program that will keep us abreast of all fats and oil requirements. Fats and oils are the raw materials out of which come glycerine, and this is used in the manufacture of high explosives. Ten pounds of fat will yield about one pound of glycerine. There is enough explosives power hidden in ten pounds of waste fat to fire 25 anti-tank shells.

Save all your waste cooking fats. Every kind you use. Save pan drippings from lamb, beef, poultry, butter that cannot be used. Strain the fat to remove particles, pour fat into clean, wide mouth can. Keep fat in a cool dark place until a pound or more has been collected. Then take the fat to your butcher, each town has designated places for fat collection, from two to four cents will be paid for the fat and they will be started on their way to ammunition factories.

Texas Salvage Committee suggests that to secure a sufficient amount of needed fat that each housewife must save at least 1-2 pound per week.

TIN CANS are now to be saved by every housewife and a little later plans will be made for the disposition and will be announced. The ends of the can are to be cut off, wash well, remove labels, place end in can, place on floor and step heavily on can to flatten it. Store in a dry place.

SILK and NYLON hose are needed. Take them to any merchant who handles hosiery. These are used to manufacture powder bags that help discharging a shell from guns.

This information comes from the War Production Board, 208 Fidelity Building, Dallas, Texas, to Salvage committee chairman and it concerns every housewife in the county.—From County and Home Demonstration Agents.

(Already in Jones County a new drive to salvage things for war are under way. In Hamlin there should be yet a lot of material available. But some definite plans are needed to carry out the program. Where will the scrap grease be taken? Where and when the tin cans?

Mrs. Horace Justice has been in Abilene all this week to be with her mother who had a major operation.

Miss Joyce Hudson, who recently completed a business course in Abilene, has taken a position in clerical work at Camp Barkeley.

Mr. and Mrs. Paul Bush of Lubbock were down for the week end visiting their mother, Mrs. T. T. Brady and family.

Chamber of Commerce Banquet Tues., Feb. 16

The Chamber of Commerce Banquet for 1943 will be held at the Methodist Church Tuesday night, February 16, at 8:00 o'clock.

The plates this year will be \$1.00 each and all tickets must be spoken for by noon Saturday, Feb. 13th.

The Ticket selling committee is composed of Mac Brundage, Holly Toler, Roy Gilbreath, Haskell Carter. These fellows will try to see all who want tickets but that may be impossible . . . so if you do not get a ticket before Saturday at noon, phone or see the Secretary at her office in the Book Shop, or let one of the committee know. That will keep anyone from missing, unless all the plates are taken.

SOLDIER MAN TO SPEAK
Lieutenant Col. Chas. Driscoll, Executive Officer of the Officers Candidate School at Camp Barkeley will be the chief speaker for the banquet. This ought to be something good.

Hamlin Has Quota of \$1,590 For Red Cross

War Fund campaign for local and national funds to keep Red Cross on the job in 1943 is being planned in Jones County to raise its share, \$7,950, Harold Bonner, Hamlin chapter chairman, and Robert Cross, Anson, War Fund Chairman, announce.

Quotas of \$2,500 for Stamford, \$1,590 for Anson, \$1,590 for Hamlin, have been set, with the remainder to be raised in smaller towns and communities. A. M. G. Swenson has been named War Fund Drive chairman for Stamford, Mrs. C. F. Butcher for Hamlin, and Miss Dorothy Casle for Anson. Chairmen of more than thirty defense clubs in Jones county will be appointed as Red Cross War Fund chairmen for their areas.

This is the largest appeal the Red Cross has ever had to make in its history but it is essential to meet the emergency to take care of the tremendous expansion in Red Cross service since Pearl Harbor. The drive will begin March 1, and last one month.

By-the-way, last week we should have greeted our new neighboring Editor in Aspermont. Mr. and Mrs. A. E. Richards are now listed as the owners and editors. They are showing much improvement in the only paper in Stonewall County.

Mrs. John Jenkins and baby, Jimmie and Mrs. Alvis Bond and little son, Michael Wayne, spent Sunday in Wichita Falls visiting their husbands who are stationed at Shepard Field.

Mrs. J. E. Moody Died Abilene Last Friday

After a year or more of declining health, Mrs. J. E. Moody passed away at the Memorial Hospital in Abilene, Friday, February 5, at 11:45 A. M.

Mrs. Moody had been in Bryan, Texas, several months with her sister, hoping the change would help in her health, and then about two or more weeks before her death she was brought to the Abilene Hospital for treatment so that she would be nearer her husband and daughter. She gradually grew worse.

Mrs. Moody had lived in Hamlin for about seventeen years and had rendered many valued services, always interested in things that might help make her community a better place in which to live. She was born in Kosse, Texas, a daughter of Mr. and Mrs. A. M. Brewer, pioneer people of that town. She was a member of the Methodist church from early childhood. She is survived by her husband, one daughter, Mrs. George W. Powell, Jr. (the former Mary Beth Moody) who retains Hamlin as her home while her husband is in the army. Also surviving are two sisters, Mrs. W. F. Fockerd and Mrs. M. E. McCartney, both of Bryan, Texas, and one brother, S. T. Brewer of Waxahachie, and one niece, Betty Ann McCartney and one nephew, Gene Brewer. All were present for the funeral, including Mr. Lockerd and Mr. McCartney. The soldier son-in-law, Pvt. George W. Powell, was on maneuvers in Louisiana and could not arrive until late Saturday night.

Funeral services were held at the Methodist church Saturday afternoon in the presence of a large number of sympathetic friends. Rev. Harrell, the pastor, and Dr. C. A. Bickley of Abilene, conducted the funeral. The Schubert Music Club, of which Mrs. Moody was a member, furnished the song numbers in a very impressive manner. Rev. Bickley made the main address and in a way so in harmony with the long life of usefulness in the church that she had lived. She had attended T. C. U. in Fort Worth and Baylor University, Waco, and had given distinguished service in the Hamlin Woman's Society of Christian Service, and held Life Membership in that organization. Besides this she had held various responsible positions in the church and was always ready to do civic work in Hamlin. A wonderful array of lovely flowers was evident proof of the love she held in the hearts of many of her friends and loved ones.

Interment was in the Hamlin East Cemetery by the Barrow Co. Pallbearers were Ed Bailey, L. H. McBride, G. R. Bennett, Tate May, Frank Waggoner, Fed Britton and R. M. Simmons and Pete Fox of Sweetwater.

Mr. and Mrs. E. R. Lindsey and baby of San Antonio came Sunday to visit with their parents, Mr. and Mrs. W. J. Carter. Mr. Lindsey is connected with the Civil Service division of the Army Air Corps. He expects soon to be doing duty in a foreign port. His wife will remain in Hamlin with her parents.

Mrs. Lala Harbert and daughter, Mrs. G. P. Odom, went to California the past week to visit her son, Bill Harbert who is in military training at Camp Elliott. They arrived home Wednesday.

W. L. Walton who has been very ill, has improved to the stage where he could accompany his daughter, Mrs. Homer Massey and husband to Dallas for an extended stay. They left last Saturday.

Mrs. Clinton Barrow left last Sunday for California to visit her sailor husband for a few days.

Mr. and Mrs. J. M. Grayson, Mrs. J. C. Grayson and children were here the past week end visiting Mrs. T. T. Brady and Mr. and Mrs. Ed Davis of the Flat Top community.

Mrs. Cecil Eivens and little son of Lubbock were down for the week end visiting the home folks and other relatives.

Mrs. T. T. Brady is sending the Herald to her son, T. T. Brady Jr. as a birthday gift. Mr. Brady is a Highway Patrolman and lives in Palestine.

Better Cotton Meeting Next Monday Night

Next Monday night, February 15, County Agent Binion will meet with farmers of the Hamlin territory to talk "Better Staple Cotton."

The Manager and Directors of the Hamlin Farmers Co-op. Gin are sponsoring the movement in this community. The meeting will be at the City Hall, where it will be warm, roomy, chairs, tables, and everything needed.

In other communities the Better Grade Cotton set-up has been perfected, and it seems Hamlin farmers should respond to the meeting, just to learn if not to co-operate.

Bring the wife and children and park 'em in the show while you talk "Cotton" across the street in the City Hall. Read this and tell your neighbors, Tom, Dick and Harry, to come along with you.

The First BAPTIST CHURCH

Three years ago this coming Sunday it was my happy privilege to begin work in Hamlin as pastor of the First Baptist church. These have been happy years for both Mrs. East and myself. We truly hope that we have rendered some service worthwhile, as that has been our purpose in being here.

On this Sunday, we plan, in connection with our morning worship service, to have a most impressive flag presentation. We urge all our friends to be with us in all our services.

Sunday School, 10:00 A. M.
Morning Worship, 11:00 A. M.
Training Unions, 7:00 P. M.
Evening Worship, 8:00 P. M.
Mid-week Service, 7:45 Wednesday.

H. E. East, Pastor

Ought To Be A Law And Maybe There Is

A good farm woman in a certain community in Jones county sends in a worthy complaint. Maybe there's a law to cover the injury but maybe there "ain't". She says:

"I am asking a favor of all farm people who are trying to raise healthy chickens and trying to keep their premises sanitary and healthy. "Some people are going along the highways and roads and deliberately throw dead and diseased chickens near houses where other chickens can get them. In this way disease is scattered to healthy flocks and more, flies get to the diseased half eaten carcasses and then carry to poultry yards far away and perhaps there will be a dozen or more die before we can do anything about it."

NOW farm folks, here's a place where every one can do something to help one another. What the good woman says is certainly true.

Surely nobody would want to scatter disease, only it must be "not thinking". All chickens dying from any cause should be burned, as a safety measure to everything. That is not all, every chicken, and even rabbits, killed by cars on highways, should be burned. Disease can be started from their decaying bodies, and remember the old black crows, eat, fly and carry. Now if disease is scattered deliberately, it is a crime. If it travels naturally and can be controlled or hindered it should be done. Who then is to do the DOING? It seems a matter of common cause, and co-operation. The good woman has a worthy complaint.

GET V-MAIL PAPER

Folks at home who want to get V-letters can now find two sized packages at the Herald Office. 25 cent packages and 50 cent packages. Easy handled and almost assurance that your letter will reach your boy-soldier. Get your V-letters at the Herald Office.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

—Bread knife casualties were expected and they happened...in fact, we have been looking for "this" and we eyed the first one in Hamlin's Bank...a bandaged finger sticking out, shy-like, from the adding machine keys...of course it was a "lady finger" nicely done up...somewhat coyly concealed...she frankly admitted "bread knife casualty"... "but... don't say anything about it, for up till I had to start using a bread knife, I have been making my boy friend think I was a good cook...now look, I can't even cut bread"...don't ask any questions, it is too late now... it is somewhat like keeping ship sinkings a secret till the edge of defeat is worn off...however, such casualties will happen again, maybe not in the banking force, but?—

—Did you ever see a farmer take the "government grins"...well, we have...not many farmers who have been "hoeing their own row" have any complaint about labor, the little farmer does not depend on "youthful labor"...and the commentators and congressmen are telling the farmers a lot these days that makes the farmer laugh...we bet a big hole in a little doughnut that the guys kicking most about farm labor are the "big fellows" who have been using youthful labor to make more dollars for the "farm operators"...if they would turn the farmers loose and let 'em produce anything and all they want to, there would be no shortage of anything, not even labor, for there are a lot of old guys who are good for many "years of corn" yet...somebody had a dream this week and started to "broadcast" that the government was going to draft farm labor...now laugh, and laugh again...that is the biggest bunk this nation could ever hear and it would be the biggest blunder if such a thing should ever be attempted...imagine taking one man to a farm to produce for an individual...now if the farm is conducted like an army, and the farmer-soldier was doing duty there instead of drilling how to kill Japs, securing everything he makes to feed others and not end up in dollars for the landowner at the expense of the poor drafted man, it would be another picture...it is too funny to be in a million miles of true...who would make the man work? What would be the pay. How many hours? What about overtime? Who will see that the drafted farmer, (gosh, listen, "drafted farmer") is kept well, doctored, hospitalized?... golly-whoppers, it would be about as silly as to try to draft a man to operate a linotype machine. Wouldn't he make a mess of it?...Let's change the subject.

—Somebody is going to get cold feet—shoes are now frozen, and ere long there will be more little pink toes sticking out...when it comes to the point there'll be no shoes, as well as no stockings, the show will get better...bare feet as well as bare legs will call for more labor; think of grooming all those toes... maybe the color of the nails could be made to fit the dress, or the slacks.

—Just been reading in Mercury, "America Through Goebbels' Eyes", and our conclusion is that every American should know what that little hooked-nose, liar is telling Germany about this nation...to read the article is to show up a lot of Americans too...some who have been standing very high in the estimations of some people who talk to suit Hitler's little gobbling Goebbels.

"Pass The Ammunition"
The Government is allowing us to order ammunition, provided we get signed requisitions like the one below—

Application For Ammunition

I hereby make application for the following ammunition which will be used by me for predatory animal and rodent control:

- 100 rounds (2 boxes of 50 each) .22 Long Rifle Caliber Cartridges
- 40 rounds (2 boxes of 20 each) 30.30 Caliber Cartridges
- 40 rounds (2 boxes of 20 each) 30.06 Caliber Cartridges
- 50 rounds (2 boxes of 25 each) 12 gauge Shotgun Shells

Signed _____

If you need any of the sizes listed, kindly fill out and sign—bring or mail to us, so that we may be able to order your sizes want—

Wars, Like Moons, Have Phases—

Yes, sir, there's the new moon, first quarter, half moon, third quarter and finally full moon—all phases that are counted progress towards a climax.

Wonder if we are drawing the comparison too far to compare a war with the moon progress? If not we believe, the United Nations are entering the last stages leading to the full. Maybe we are in the third quarter but likely since January 1, we are merging into what will end up into the Full War, just like the moon, big, open, full, clear and majestic. Our full might will last long and terrible till the United Nations either capture or kill the three bandits who planned this terrible carnage of death and destruction... we have reached the killing phase.

It will be making no point to analyze the various stages America has passed through, but they have been more distinct than what you see in the moon during its 28 days of fulling. Until Pearl Harbor the steps

of progress were made over the obstinate objections that still sound like the carping of Goebbels or the rantings of Mussolini. Full speed ahead was hard to get till Pearl Harbor. History will record each step and how hard it was to make, and over whose protests. No mere minority in this country can ruin our freedom, like they do in Europe. But sometimes mere majorities make a lot of noise and hullabaloo till such wishful hopers as Hitler begins to tell his people things are gone Nazism in the United States.

We are now past the scare period, and from here on the mass of tanks, ships, planes, explosives and soldier-power, built up through months of overcoming home drawbacks, will be felt as never before on the plains of Europe and in the jungles of the Jap held Pacific. Many signs are heard and seen every day that the period of drill, practice, and sham battle is over and the real thing is about to start, and really has started.

It is said that in those nations where so many millions have fallen tears no longer flow, and where grief once swayed the human heart,

now hot anger predominates, just like it did in the days when a son saw some one shoot down his father... resentful anger is stronger than tears and mourning... those who fight don't shed tears, and that's the terror of war. So since we MUST fight or perish, we must take on, now the feeling of anger till no nation will ever want to start a world-wide war again. We have not reached our full moon fight ability either in means or spirit, but that phase is at hand in full bloom. We shall SEE.

National Honor Society Meets

The Hamlin chapter of the National Honor Society met in the home of Frances Ubben February 4, with Hortense Phenix as co-hostess. For the roll call each member dedicated a Valentine verse to some other member. The Program consisted of the life of George Washington by Ellis Benham, St. Valentine by Frances Gardner, and the life of Abraham Lincoln by Mary Jo Sills. The hostesses served a plate consisting of tuna fish sandwiches, chocolate cake, hot chocolate, and valentine mints.

About Soldiers--Sailors

The Public Relations office at the Will Rogers Air Field in Oklahoma states that Staff Sgt. James A. Parker, whose parents live near McCauley, has been promoted to Flight Officer. He has been a pilot there since November 13th.

— S & S —

Information has come from Mr. and Mrs. Harold Bailey of Cleburne, who have received word that their son, Pfc. Harold Jr. has been wounded in action in the Southwest Pacific. In Hamlin, the father was known as "Booster Bailey," a brother of Clarence.

— S & S —

Pfc. Tom Brady of the Quartermaster Corps who is stationed at the Stevens Hotel in Chicago, Ill., is home on a two weeks furlough with his mother, Mrs. T. T. Brady, Route 4. He is enjoying seeing all his old friends.

— S & S —

Pfc. James E. Branscum, formerly in the implement department of the Bryant-Link Co., came up from the San Angelo Goodfellow Field for a short visit with home folks. Branscum has been in since Sept. He was accompanied by his wife who is living in San Angelo while her husband is there.

— S & S —

Aviation Cadet R. A. Dean came in last Saturday from Nashville, Tenn., where he had been since Nov. 7. This field is a classification center, and R. A. is classed as a pilot. He will report back Feb. 19. But, R. A. only remained in Hamlin a few hours and pulled out for Oakland, Calif., to see his parents, Mr. and Mrs. R. S. Dean.

— S & S —

Merrill Herring, one of the Hitson boys, age 18, entered the army last week and was sent to Camp Wolters. Merrill was classed in 2-C and would have been left at home, but he asked the Fisher County Board to reclassify him and let him go on into the army. He is a son of Mrs. M. E. Herring of Hitson.

— S & S —

Pvt. Leonard Watson was in Hamlin this week on a furlough from the Lubbock Air Base while on his way to Bryan, Texas, for further training. Watson says he has been in the hospital several weeks recovering from an operation, and that's why he is given more time.

— S & S —

Mrs. Eddie Brown, is now known as "Auxiliary Lola L. Brown, a member of the WAAC's, and is in training at Ft. Des Moines. Her mother, Mrs. G. C. Spoonmore, lives in Greenville, Texas.

— S & S —

The Herald has a letter from Sailorboy D. F. Griffin, who is on a big battleship on a certain big ocean. Griffin's story is just the opposite of some of the boys. He says: I will say I am feeling fine, that is except my clothes... in April, 1942, I weighed 170 pounds, in January, 1943, I weigh a little over 140 lbs." Griffin must be getting the Herald... he says, "Really what I am writing for is about your article, 'This week in the Tropics, the war is going fine', and you don't mention the Navy." Then Griffin tells about their hardships, their running short of certain foods, making it plain that they are having their hardships as well as the Army and the Marines... Now Sailorboy, ALL of us back home are yelling for our Navy, for we know that as long as we've got a Navy, we've got freedom, and God bless every American boy on the waving oceans, the world around. We must all win together.

— S & S —

SOLDIERS, this will help you pass off some of that extra time you got dragging on your idle (?) periods: There's a fellow down in Texas named Boyce House—he is due the "discovery". The Herald merely passes it down the line. He says: Authorities may, or may not, have received the following letter—which is going the rounds of the papers:

"Dear Adjutant General:

"My husband was induced into the surface 18 months ago and I ain't received no pay since he was gone.

"Please send me my elopement as he is my only support and I kneed him every day to buy and keep us in clothing. I am a pore woman and both sides of my parents are very old and I can't expect anything from them.

"Do I get any more than I am going to get? Please send me a letter and tell me if my husband has made application for a wife and child. I have already written to the President and got no answer and if I don't hear from you, I will write Uncle Sam about you and him both."

Auxiliary Anna Sue Lasseter has graduated from the WAAC Motor Transport School at Des Moines and her new assignment will be announced soon. (Later—She is now Corpl. Sue Lasseter and doing duty in the 2nd Co. R & S Bn., Daytona Beach, Florida).

— S & S —

Pvt. Horace E. Crow has been assigned to the 405th TSS at Shepard Field. Horace will make a fine flyer—watch and see.

— S & S —

Last week the Herald mentioned that Seaman, R. C. Garrett was working in a hospital in the Canal Zone, but it should have been that he was sick in the hospital. Another letter this week says he is doing fine.

— S & S —

FROM AUSTRALIA

(Below is a letter written to Mrs. Clayton Lauderdale, whose son is doing war duty somewhere in Australia. Mr. and Mrs. Lauderdale reside on the Hunter farm southwest of Hamlin.)

22—12—42

* * * *

Australia

Dear Mrs. Lauderdale:

You will doubtless be surprised to get this letter from me. However, this little note is to tell you that I have met your son, Curtis, just within the last week, and I thought you would be happy to know he is looking exceedingly well. He stayed at my house as recently as a week ago—and no doubt he will call again, as he said he would. He is a very nice, quiet lad. Of course, we are all so pleased and interested to meet all these American boys. We like to hear them talking—especially the ones from the South.

You will maybe be interested to know that I have two lovely lads who have been soldiers for THREE years now. They enlisted from this town as volunteers and were sent abroad. They were in England six months in all that bad business after Dunkirk. The British treated them just like they were young lords—in fact, I think they made many Tommies jealous, just as now all these bright American lads are making our civilian men jealous.

My two sons after England were sent to the Middle East and they are still there, and I have had cables this Xmas from them and they are very well. One son is in the same unit and same class of service exactly as what your son Curtis is in, so you must cheer up and not be in the least anxious about him. I believe your nice boy will return to you safe and well. He is a very sensible boy, and tells me he does a lot of reading, so you need not worry about him—not at all.

It was so novel and thrilling at first to see Americans, but we are becoming quite used to it now, and I think they will be returning home talking like Australians, and we will become Americanized. It is fine to be helping each other—and I can say from the bottom of my heart how grateful we feel for the splendid help your grand country gave us when things looked very black indeed. We will all join you in singing "God Bless America"—and "The Stars and Stripes"—Well, I have always loved that song. So now, Mrs. Lauderdale, "Chin up—Cheerio, Carry on" and don't worry at all. We don't, as it only breaks down one's morale—and does no good. Again, Cheerio.

Yours sincerely,
Mrs. M. McGuirk

P. S. You may have heard of the famous * * * Goldmine. This city is not far away from * * * and has about 35,000 people. (* * * indicates censored words)

— S & S —

G. A. Meeks has another letter from his son, Sgt. Joe Meeks, from somewhere in North Africa. He says but little, and the best of all is that he is well and doing good. He has been in the service more than two years.

— S & S —

Lieutenant Bert D. Locke (known as Bub in Hamlin) came in Sunday from Ft. Sill where he had taken a special Field Artillery course the past month. Lt. Locke is one of Hamlin's red-heads, making good from every angle. He was one of the first to go into service in 1940... was a National guardsman. He got his commission last summer and volunteered for the Paratroop Div. That means he goes up in a plane with his gun crew, big canon and all and jumps out after the gun pieces, lighter, and lets the enemy rank it. He was here till Wednesday, afternoon on his way to North Carolina to begin training new paratroopers.

MAX TAYLOR WRITES

North Africa, Jan. 26, 1943

Dear Mr. Pope:

Seems like every so often I have to drop you a few lines, although the questions I always ask seem to go unanswered. Even so far, no letter. But we'll let that ride for now; you're probably busy. Nevertheless, news from home is no less than a shot in the arm. Now that I've, ahem! told you off, will try to describe this place, briefly:

My first glimpse of Africa was a rugged coast line. Odd, isn't it? Seriously, though, I am surprised, I have been to Oran and Algiers. And from a distance, Oran is Hollywood. Beautiful buildings, modernistic design, and hundreds of different colored stones. But when you get in the city proper, its beauty fades amazingly. Rather dirty, unkept looking, you might say. But you see everything. Has a caspaugh (?) all its own and Arabs riding on donkeys, bicycles, motorcycles and roller skates. Beautiful and well dressed French girls. Side walk cafes, bars with vino (wine), hard boiled eggs, olives, oranges, tangerines and kids with shoeshine boxes. I had eight shines the first four hours. Everyone is friendly. Beggars are numerous and can make the bums at home look like beginners. They go for our cigs, gum and candy. They pick up English very fast and the kids can cuss you in seven different languages.

There are many interesting points. Sleepy fishing villages, old forts, museums, and native quarters, but the latter in-day time only. Some rather rugged stories about that after dark.

The surrounding country is fertile and well kept. Vineyards, huge ones, orchards and poultry farms. Yet you can't buy a diamond ring or jewelry.

They just had chow call, so I'll crawl outta this "pup tent", grab my mess kit and see what's cookin'.

Let me hear from you sir, and hope I can see you soon.

Sincerely,

T-Sgt. Jon Max Taylor

— S & S —

Marine Sgt. C. F. Butcher came up from Corpus Christi last Friday for a week with his wife and daughter. He has recently been training in California.

— S & S —

Two sailorboys, Vestal Townley and Elvis Wallace, came home this week from the wide oceans, one from the Pacific and the other from the Eastern oceans, and met in Hamlin after being separated all these two years. They started off together and they went afar until they met again, in their Friendly Pied Piper Hamlin. Vestal has a 30 days leave, and after two years, nearly, is as happy as can be to see Hamlin and his parents, Mr. and Mrs. Everett Twiney. He is rated as Aviation Metalsmith 2-C, an Air Bomber. Don't ask him where he has been or what he has been doing. Just remember he rides in a thick glass cage somewhere on a Navy plane, and can knock a hole in a Zero, quicker'n you can shoot a jack rabbit.

— S & S —

Lieut. (Dr.) Joe McCrary, of the Station Hospital at Camp Berkeley, is so close to Hamlin and has so little to do that his coming and going is to be so often that it will not make news rating. The Lieutenant is doing heavy duty in the Dental Clinic, working from 2:00 P. M. to 9:30 P. M., with one hour off for supper. Don't ask him to yank a tooth while in Hamlin.

Mrs. Burns Eakin left Tuesday for San Antonio to visit her daughter, Miss Mary Emily Eakin, who is employed at the San Antonio Supply Base.

Mrs. D. W. Stell Hostess Woman's Literary Club

The Woman's Literary Club met Friday afternoon in the home of Mrs. D. W. Stell on Lake Drive.

In the absence of the president, Mrs. G. R. Bennett, the business session was held with Mrs. Landon Davis presiding. Mrs. Tarleton Willingham was elected to membership. The club voted to buy a \$100 war bond making their total investment in war bonds \$1,000.00.

The annual program on Child Welfare was directed by Mrs. Davis who discussed the topic, Does America Need More Children. Others giving parts on the program were Mrs. E. J. Whaley who read an interesting story of two men and a boy telling of their rescue from a torpedoed ship, and giving their experience on a raft. Mrs. Yates read a paper entitled A Child Without Civilization, using as her theme the unusual but true story of a child in India who had been captured and tortured by a wolf mother, and later rescued and taken to an Indian orphanage, where the response to human treatment was recorded, showing step by step, the return to civilization.

A child's laxative your child should LIKE

Thursday night, Feb. 18th, is meeting night for the Defense Club. Bring a cake to be sold for Defense Stamps. We want to have a large crowd as there will be some important announcements about the rationing book No. 2.

Mrs. Clements Honored By Eastern Star

The Eastern Star of Hamlin honored Mrs. Ira Clements, Deputy Grand Matron of District 2, Section 1, with a dinner in the banquet room of the Masonic Hall, Tuesday evening, January 19.

The spacious room was arranged with foursome tables with attractive covers, place cards and red carnations. The dinner was served in buffet style with a long table centered with a crystal bowl of red carnations and tall tapers on either side, and laden with dishes of delicious food.

The red carnations decorating the room was a gift to Mrs. Clements from one of the members.

After the dinner the chapter was opened in regular form, this being a special meeting called for Mrs. Clements' official visit.

Mrs. Clements brought helpful instructions, reported Hamlin chapter had bought two war bonds, had sent nine Christmas boxes to boys in the service whose mothers were members and the chapter is buying one Red Cross kit each month for the soldier boys. She also reported the fifteen chapters in her district were doing wonderful things for the boys in the service of our country.

Mrs. Clements brought the Worthy Matrons inspiring message based on "The Golden Rule", her motto for the year. She then in her own charming manner closed her message with a beautiful poem, "My Purpose", author unknown.

Mrs. A. Hudson, associate Matron presented Mrs. Clements a beautiful crystal sandwich tray with a covered candy dish to match, a gift from the chapter.

The temperature registered five above zero, but twenty-six members and four visitors were present.

On the following Tuesday evening, a beautiful Friendship program was given by the Eastern Star and dedicated to their Deputy Grand Matron, Mrs. Clements. After the program, Mrs. Clements responded with a beautiful poem on "Friendship" and paid tribute to her fifteen chapters throughout the section and thanked her own chapter for the program as a tribute of their love and friendship. Mrs. Clements' hair dress and corsage were red carnations, a gift of some of the members.

Besides Hamlin members and visitors, Anson chapter attended this meeting. After chapter closed a social hour was enjoyed and lovely refreshments served.

BOYD CHAPEL CHIRPS

By Mrs. James Ferguson

Those who visited the Willie Tabb family last Wednesday evening were Pvt. Nolen Tabb and Mrs. Tabb of Lubbock Flying School and Pvt. Audrey Vee Earley also of the Lubbock School, and mother, Mrs. Maggie Earley of Abilene, Mr. and Mrs. Spurgeon Dunn and children of Plasterco and Mr. and Mrs. Tabb and family.

Mr. and Mrs. Finis Bartlett and family of near McCaulley were Sunday visitors at the Methodist Sunday school and in the home of Mrs. Stella Young.

Mr. and Mrs. Clarence and children came over from Grand Prairie Saturday to spend the week end with their parents, Mr. and Mrs. E. K. Whittenburg and Mr. and Mrs. John Pope of Anson.

Those still on the sick list are Mrs. Hershel Taylor, Mrs. Ada McClure and Mrs. Earnest McClure.

Mr. and Mrs. Earl Brown of Flat Top community visited Mr. and Mrs. M. S. Brown Sunday afternoon.

Mr. and Mrs. Paul Young and little Judy spent Sunday with Mr. and Mrs. Bert Killingsworth of Longview.

Don't forget the defense meeting which meets each fourth Thursday of the month at the school building. Every dime spent will help win the war.

Mrs. Stella Young returned home with her grandson, C. L. Moore of Fort Worth and will remain for several days to visit with her daughters.

Pvt. William Lerpard and wife of Lubbock Flying School visited Mr. and Mrs. Bryan Young last Wednesday.

PLASTERCO TIPS

(Frances Nichols-Minnie Lee Elkins)

Many are counting their shoes and wondering if they can get by. If shoes are all we have to do without, we will be lucky, but just remember folks, it will be easier to go bare footed now than to be a slave in the future.

Miss Inez Wallace was honored with a bridal shower in the home of her aunt, Mrs. Obie Wallace on Monday afternoon. She received many lovely gifts. Miss Wallace returned to Abilene Tuesday.

J. W. Riddle returned to Wichita Falls with Clifford Carr Thursday.

Mr. and Mrs. L. R. Nichols received word from their son that he now will be stationed at Key West, Florida.

Last week we neglected to say we are sorry to lose Mr. and Mrs. Henry Martin and family who moved to Noodle.

Miss Iva Mae and Inez Wallace entertained a number of girls in their home Monday night.

Pvt. and Mrs. Eugene Eaton and Mrs. Clarence Boone and son Gene spent Thursday night in the home of Pvt. and Mrs. Eaton's parents, Mr. and Mrs. L. A. Eaton and Mr. and Mrs. W. B. Elkins. They were on their way to Bryan, Texas.

Mrs. Ronald Ray and daughter Judy Ann returned from Lubbock Tuesday after being with their father and husband, Pvt. Ronald Ray. Pvt. Ray has been moved.

Floyd Smith and Melville Hines went for their first physical Wednesday afternoon in Rotan.

Mrs. Bob Harwell and son John Mark of Sweetwater spent the week end with their parents and grandparents, Mr. and Mrs. John Sledge. John Mark fell early Saturday and broke his arm.

The pulpit was filled Sunday by Rev. Little of Abilene, who spent the day with Mr. and Mrs. L. E. Hines and family.

Pvt. Ardenne Lockhart was home last Sunday to visit his parents, Mr. and Mrs. W. C. Lockhart.

Quarterly conference of the M. E. church will be held Sunday afternoon at Plasterco at 3 o'clock. Everyone is invited to attend church Sunday morning and night. The pulpit will be filled by Rev. Hankins.

Mr. and Mrs. June Rhoton and family enjoyed a visit Sunday from his parents, Mr. and Mrs. Dick Rhoton from McCaulley.

Mr. and Mrs. K. A. Davis of Abilene visited in the home of her cousin, Mr. and Mrs. L. R. Nichols and family.

Mr. and Mrs. Hershel Ewing enjoyed a visit from Mrs. Ewing's mother, Mrs. Fancher Monday nite.

Mrs. Charley Polk's sister-in-law Mrs. Faye Wheatley visited in Mrs. Polk's home Friday night.

Mr. and Mrs. W. Wallace enjoyed a visit Sunday from Mrs. Wallace's mother, Mrs. Locke and daughter Pauline and son Lieut. D. Locke.

Mr. and Mrs. Ed Griffin visited in the home of his brother, Mr. and Mrs. Laurence Griffin of McCaulley.

Mr. and Mrs. Obie Wallace are enjoying a visit from their daughter, Margaret, who is a nurse in Del Rio. Their son, Elvis, who is a sailor, is here also.

Will the people of Plasterco please hand us the news that they want put in the paper before Tuesday afternoon? We also want to save shoe leather.

FLAT TOP NEWS

By Laverne Jenkins

Mr. and Mrs. Earl Brown and Duane and Mrs. Viola Brown spent the week end with Gordon Green at Merkel.

Miss Winnell Schrimsher spent the week end with her parents, Mr. and Mrs. A. A. Shrimsher.

Mrs. Claude Jenkins and family visited Mr. and Mrs. E. D. Jenkins Sunday.

Joe Sauls Fudge spent Sunday night with Buddy Jenkins of Dovie.

Mr. and Mrs. Eli Bruner visited Mr. and Mrs. A. Branscum of Aspermont Sunday.

Mr. and Mrs. Frank Bridge of Stamford visited Miss Helen Whiteley Sunday.

Mr. and Mrs. Charlie Carter and son Charles spent the week end with a sister of Mrs. Carter's at Hamilton.

Mr. and Mrs. Joe Lindsey and children visited Mr. and Mrs. Virgil Blancy of Abilene Sunday.

Rev. McIntire of Abilene preached here Sunday morning and evening, and was the guest of James

Roses Grow Well In Hamlin

This is NOT a Rose Garden in Hamlin-land, but it is a representation of the fields from which the best roses can be bought to grow in Hamlin. And when roses are started and well cared for in Hamlin, there is nothing that sets off a yard or home more than the rose. The Herald has arranged to sponsor "More Roses for Friendly Hamlin"....note in this paper where you can get CHOICE ROSES at very reasonable prices. Place your orders with THE HERALD and we'll guarantee your rose delivery.

McGough and Mrs. McGough. He will preach again on Sunday, February 21st.

Don't forget the pie supper Friday evening at 8:00. Stamps and bonds will be given with purchase of each pie.

Mr. and Mrs. W. L. McCorkle of Cisco, and Lieut. Boyd McCorkle of Kansas visited Mr. and Mrs. Clinton Packwood Monday.

-0-0-0-

Mrs. O. G. Carroll of Austin, will return to her home this Friday after visiting here two weeks with her parents, Mr. and Mrs. H. C. Smith and other relatives.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**TRAINING, EXPERIENCE,
POWER... these will put
him in Hitler's backyard!**

Without training and experience, you'd hardly expect American paratroopers to drop in on Hitler. Without the proper weapons and equipment, you'd hardly expect them to survive such a visit.

So when the BIG day arrives, we'll all feel that we had a hand in their triumph—fighters, farmers, war bond buyers, industry... all who are helping them get the training and experience they need.

It is the training and experience of the men and women in this organization which has enabled us to help prepare our soldiers for the trip to Berlin. West Texas' ample supply of electric power didn't just happen.

No Aladdin simply pulled it out of a hat. No bureaucrat said "Let there be power!"

Electric power is basic and essential in

abundance in America's wartime plants because trained and experienced business men and women are back of it, making it their business to see that Uncle Sam has plenty of power wherever and whenever needed.

This they've succeeded in doing. Electric power is driving the machines that make planes, guns, ships, tanks, and bullets... lighting the plants that work around the clock.

They've succeeded without rationing your usage. Or increasing the cost.

You still merely flick a switch. And the average West Texas home today gets twice—or three times—as much electric service for about the same money as 10 or 15 years ago!

Company**

POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

Mr. and Mrs. W. T. Lawliss visited Mr. and Mrs. Ernest McDougal near Hamlin last Thursday.

The McCauley basket ball boys are going to town, so far, so good. They haven't lost a game, having played Rotan, Roby, Hamlin and Noodle. The girls' team is very good too, however they have not been so successful as the boys. Any way, they played a tie with the Hamlin girls last Thursday evening and we hear that Hamlin is good. So that makes McCauley good.

Miss Maudie Cook of the Golden Flat community and Lieut. L. Gering were married in Abilene last week. Mrs. Gering is well known in McCauley, having finished High school here. She is a daughter of Mr. and Mrs. Henry Cook. Another daughter of Mr. and Mrs. Henry Cook, Miss Velma, is graduating on the 14th of this month from the Nurses training school at Hendrick Memorial hospital in Abilene.

Mr. and Mrs. A. L. Lawliss who are former Roby citizen have moved in the R. L. Miers home in McCauley. Mrs. Cora May Rogers is also making her home with her parents, Mr. and Mrs. Lawliss while her husband, Pvt. Rogers, is doing his part in destroying the Japs.

Mrs. Frank Maberry has returned to her home in McCauley after a few weeks visit in California with children.

Jack Maberry, son of Mr. and Mrs.

Frank Maberry, who is in the Marines, and who has been stationed at Mare Island, California, has finished his training course and transferred to Cherry Point, N. C.

Mr. and Mrs. Le Roy Prather who now live in Cowell, Calif., are announcing the birth of a daughter, Teresa Joye, born Jan. 20. Mr. and Mrs. Prather are formerly of McCauley.

This scribe has just returned from Fort Worth and Dallas where we have been on business.

Mrs. Ted Abbott of McCauley visited her daughter, Mrs. Leo Masser and family at Wichita Falls last week.

Mrs. C. E. Dick and Mrs. W. C. Jackson went over to Abilene Saturday and were accompanied home by their sons, C. E. Dick Jr., and Buford Jackson, and Mary Callaway who are students in Hardin-Simmons.

Latane Akins spent the week end with parents, Mr. and Mrs. M. L. Akins. She is teaching near Coleman.

Mrs. W. L. Hunter of Hamlin visited parents, Mr. and Mrs. Hub Parker over the week end.

Little Annie Laura Woods, a daughter of Mr. and Mrs. Dub Woods, has been ill for the past few days but is improved at this writing.

Miss Peggy Darden of Abilene spent the week end with her cousin Bess Darden in McCauley.

W. T. Lawliss has volunteered for the air corps and reports Wednesday at the induction center at Camp Wolters. Mrs. Lawliss plans to visit her parents, Mr. and Mrs. R. L. Norris of Bremond, Texas, until W. T. gets his wings.

Maxine Fletcher of Hamlin spent last week end in the homes of Mr. and Mrs. Geo. Maberry and Mr. and Mrs. J. W. Bush.

Mrs. A. R. Brown mother of I. N. Brown and Mrs. C. D. Jones, has been seriously ill with pneumonia but is improving at this writing.

Cyril Brown and wife of Massachusetts are visiting in the home of parents, Mr. and Mrs. Lawrence Griffin and Mr. and Mrs. I. N. Brown. Cyril is in the Coast Guard.

Thank you...

Your response to this company's appeal to conserve telephone service, your sacrifices of peacetime telephone convenience, have helped keep war calls flowing over the wires in ever-increasing volume. *Thank you!*

Under the handicap of stringent material shortages, the telephone problem during 1942 was somehow to add more telephones than in any two years before the war... while handling 67 million long distance calls—15% more than in 1941—40% more than in 1939.

During the present year, 1943, even more war calls must be handled. They must and shall get through. But your help will be needed... every day and every evening... in making...

Fewer and briefer telephone calls, please, and...

Only vital long distance calls to busy war centers.

Again... thank you!

more we wondered if really the folks back home realized a war is on. One sailor summed it up this way: "It is hell over there, but we gotta win and we are going to win." The sailor explained that the Japs are no match for our boys if they could see them. The Jap guns (the rifles) are no match for the U. S. guns. Where the Jap rifles shoot pretty accurate for two hundred yards, Uncle Sam's shoot accurate for six hundred yards. The sailor said: "I wouldn't be afraid to stand in the open and let a Jap take a pot-shot at me at three hundred yards with their old style rifles. But," he added, "don't think it ain't hell over there."

We found out thing for sure, the boys have but one objective, and that is to wipe the Japs off the face of the earth, and what a pity that some folks at home are already grumbling because they can't buy but three pairs of shoes per year. One high fa-lutin' lady in Abilene

purchased 45 pairs of shoes last year. Now didn't she have a lot of interest in the boys who are fighting so that she will be able to continue such foolish spending?
